2. Acceptance. This Order shall be accepted by the Buyer's execution and return of a copy of the Order to Seller, or by way of email or other confirmation of acceptance communicated to the Seller. If Buyer fails to sign and return a copy of the Order, then the Order shall be deemed to be accepted by the Buyer in all respects if: (a) any other conduct by the Buyer recognizes the existence of the Order; or (b) the Buyer fails to object to the Order within 10 days of receipt. Any terms and conditions contained in purchase orders, quotations or similar forms of Buyer which add to, amend, qualify or are different from the terms of this Order are hereby rejected and shall be void, regardless of whether they precede or follow this Order. It being intended that this Order shall constitute the complete and exclusive agreement between the parties with respect to the Materials referenced herein and may only be amended by written agreement executed by the authorized officers of Seller and Buyer that specifically states that these Master Supply Terms and Conditions are to be amended.

Buyer shall be responsible for all sales taxes, duties or ad valorem taxes on the Materials after delivery. Title and risk of loss or damage to any Materials shall pass upon delivery. If any delivery is delayed on account of Force Majeure or other causes beyond the reasonable control of Seller, the Seller shall notify the Buyer.

6. Quality and Inspection. All Materials furnished by Seller shall conform to the specifications on this Order. In no event, shall Seller be responsible for defects in any materials furnished by the Buyer, or materials purchased by Seller from a third party supplier. Such material will be provided at Buyer's sole and exclusive risk. The Buyer further agrees that all deliveries shall be deemed accepted unless the Buyer notifies Seller of any nonconforming Materials within 30 days after the date of delivery; it being agreed that time shall be of the essence in the Buyer's rejection of any Materials and that the Buyer is encouraged to promptly test and inspect the same. In all cases where a rejection is timely made by the Buyer, Seller shall be given the opportunity to remedy the matter as provided herein. 9. Payment. Unless otherwise specified on the face hereof, payment shall be net thirty (30) days and Seller shall be entitled to invoice upon delivery. Seller retains all right and title and is granted a security interest to the Materials, to secure payment in full (and until such time, Buyer shall keep the Materials free of all levies, liens and encumbrances).
